## Instructions

Understanding which charges can change at settlement

This GFE estimates your settlement charges. At your settlement you will receive a HUD-1, a form that lists your actual costs. Compare the charges on the HUD-1 with the charges on this GFE. Charges are changing if you select your own provider and do not use the companies we identify (See below for details.)

These charges cannot increase at settlement	The total of these charges can increase up to 10% at settlement	These charges can change at settlement

Using the tradeoff table

In this GFE, we offer you this loan with a particular interest rate and estimated settlement charges. However:

- If you want to choose the same loan with lower settlement charges, then you will have a higher interest rate.
- If you want to choose the same loan with a lower interest rate, then you will have higher settlement charges.

If you would like to choose an adjustable option you must ask us for a new GFE.

Loan originators have the option to complete this table. Please ask for additional loan information if the table is not completed.

	The loan in this GFE	The same loan with lower settlement charges	The same loan with a lower interest rate
Your initial loan amount	\$ 22,454.10	\$ N/A	\$ N/A
Your initial interest rate	17.97 %	N/A %	N/A %
Your initial monthly amount owed	\$ 347.98	N/A	N/A
Change in the monthly amount owed from this GFE	No Change	You will pay \$ _____ more every month	You will pay \$ _____ less every month
Change in the amount you will pay at settlement with this interest rate	No Change	Your settlement charges will be reduced by \$ _____	Your settlement charges will increase by \$ _____
How much your total estimated settlement charges will be	\$ 323.50	N/A	N/A

For an adjustable rate loan, the comparisons above are for the initial interest rate before adjustments are made.
